Each generously sized apartment enjoys a private balcony to maximise airflow, as well as floor-to-ceiling windows for abundant natural light. A palette of whites and modern neutrals complements oak white wash timber flooring.

Innovative and practical design is accented by luxury appliances and quality finishes. Kitchens are beautifully appointed with Caesarstone benchtops, Parisi tapware and subway-tiled splashbacks. It's easy to whip up a feast with gas cooktops and integrated SMEG stainless steel appliances.

Absolute comfort is assured with ducted air-conditioning in all apartments. Bedrooms feature plush carpet underfoot and built-in robes with frosted sliding glass, and bathrooms offer luxurious retreat with heated towel rails and semi-frameless showers.
